Math 2-5: Measurement and Data: Geometric Measurement and Problem Solving

Surface Area

Students	Learning Continuum Statements:
Students:	**RIT 231-240:** • Determines the surface area of rectangular prisms or cubes, formula not provided
Students:	**RIT 241-250:** • Determines the surface area of rectangular prisms or cubes, formula not provided
Students:	**RIT 251-260:** • Determines the surface area of rectangular prisms or cubes, formula not provided
Students:	**RIT 261-270:** • Determines the surface area of rectangular prisms or cubes, formula not provided
