

Math 2-5: Measurement and Data: Geometric Measurement and Problem Solving

Weight/Mass

Students

Learning Continuum Statements:

Students:

RIT 191-200:

- Completes simple conversions of customary units of weight
- Knows relative sizes of metric units of mass

Students:

RIT 201-210:

- Completes simple conversions of customary units of weight

Students:

RIT 211-220:

- Completes conversions of metric units of mass
- Completes simple conversions of customary units of weight

Students:

RIT 221-230:

- Completes complex conversions of customary units of weight involving fractions, decimals, or more than two units
- Completes conversions of metric units of mass
- Completes simple conversions of customary units of weight

Students:

RIT 231-240:

- Completes complex conversions of customary units of weight involving fractions, decimals, or more than two units
- Completes conversions of metric units of mass
- Solves multi-step weight word problems involving whole numbers and conversion of customary units

Students:

RIT 241-250:

- Solves multi-step mass word problems involving whole numbers and conversion of metric units
