

## Math 2-5: Number and Operations: Number and Operations in Base Ten

### Integers: Computation

Students

Learning Continuum Statements:

cStudents:

**RIT 211-220:**

- Adds and subtracts integers
- Represents addition and subtraction of integers on a number line

Students:

**RIT 221-230:**

- Adds and subtracts integers
- Represents addition and subtraction of integers on a number line

Students:

**RIT 231-240:**

- Adds and subtracts integers
- Represents addition and subtraction of integers on a number line
