

## Math 2-5: Number and Operations: Number and Operations - Fractions

### Fractions: Compare/Order

#### Students

#### Learning Continuum Statements:

#### Students:

##### RIT 161-170:

- Orders fraction models with unlike numerators and/or denominators

#### Students:

##### RIT 171-180:

- Compares fraction models with unlike numerators and denominators using words
- Orders fraction models with unlike numerators and/or denominators

#### Students:

##### RIT 181-190:

- Compares fraction models with like numerators or denominators using words
- Compares fraction models with unlike numerators and denominators using words

#### Students:

##### RIT 191-200:

- Compares fraction models with unlike numerators and denominators using words

#### Students:

##### RIT 201-210:

- Compares fraction models with like numerators or denominators using symbols
- Compares fraction models with unlike numerators and denominators using words
- Compares unit fractions using words

#### Students:

##### RIT 211-220:

- Compares fraction models with like numerators or denominators using symbols
- Compares fraction models with unlike numerators and denominators using symbols
- Compares fractions with like numerators or denominators using words
- Compares fractions with unlike numerators and denominators using words
- Orders fractions with like numerators or denominators using models

#### Students:

##### RIT 221-230:

- Compares fraction models with unlike numerators and denominators using symbols
- Compares fractions with like numerators or denominators using words
- Compares fractions with unlike numerators and denominators using words
- Orders fractions with unlike numerators and denominators using models
