Math 2-5: Number and Operations: Understand Place Value, Counting, Cardinality

Whole Numbers and Decimals: Rounding/Estimation

Students	Learning Continuum Statements:
Students:	**RIT 171-180:** • Rounds whole numbers within 100
Students:	**RIT 181-190:** • Rounds whole numbers within 1,000 • Rounds whole numbers within 100
Students:	**RIT 191-200:** • Rounds decimals to nearest whole number • Rounds whole numbers within 1,000 • Rounds whole numbers within 1,000,000 • Rounds whole numbers within 100
Students:	**RIT 201-210:** • Rounds decimals to nearest whole number • Rounds dollars and cents • Rounds whole numbers greater than 1,000,000 • Rounds whole numbers within 1,000 • Rounds whole numbers within 1,000,000 • Rounds whole numbers within 100
Students:	**RIT 211-220:** • Rounds decimals to any decimal place value • Rounds decimals to nearest whole number • Rounds dollars and cents • Rounds whole numbers greater than 1,000,000 • Rounds whole numbers within 1,000,000
Students:	**RIT 221-230:** • Rounds decimals to any decimal place value • Rounds dollars and cents • Rounds whole numbers greater than 1,000,000 • Rounds whole numbers within 1,000,000
Students:	**RIT 231-240:** • Rounds decimals to any decimal place value
