

## Math 2-5: Operations and Algebraic Thinking: Represent and Solve Problems

### Whole Numbers: Place Value

Students

Learning Continuum Statements:

Students:

**RIT 161-170:**

- Decomposes numbers to make 10 as a strategy for addition or subtraction

Students:

**RIT 171-180:**

- Decomposes numbers to make 10 as a strategy for addition or subtraction

Students:

**RIT 181-190:**

- Decomposes numbers to make 10 as a strategy for addition or subtraction

Students:

**RIT 191-200:**

- Decomposes numbers to make 10 as a strategy for addition or subtraction
